Declaration of REACH Compliance

Compliance with EC Regulation No. 1907/2006 – REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals)

China Pneumatic Corporation (hereinafter referred to as "CPC") hereby makes the following declaration to customers concerning the compliance of its products with the REACH Regulation (EC No. 1907/2006):

1. Product Classification:

CPC's air or hydraulic tool and accessories products (hereinafter referred to as "Products") are classified as "Articles" under Article 3(3) of the REACH Regulation. Based on CPC's current knowledge, none of the substances contained within these Products meet the registration requirements stipulated in Article 7 of REACH. As such, CPC is not obligated to register any of its Products or the substances contained therein with the European Chemicals Agency (ECHA) under Article 7 of REACH.

2. Compliance with SVHC Requirements:

The Products comply with the REACH Regulation, specifically with the 241 Substances of Very High Concern (SVHC) outlined in the Regulation (EC No. 1907/2006).

3. Ongoing Monitoring and Compliance:

CPC is committed to monitoring any updates or changes to the SVHC requirements under REACH on an ongoing basis. However, due to potential variations in product use conditions, testing methods, and locations that may affect the SVHC content in the Products, CPC will provide the necessary information in compliance with REACH requirements should the Products meet the reporting thresholds.
